8 - 12 October

Ati Zabdön Cycle – Continuation

We are very pleased to announce the visit of Jetsün Khandro Rinpoche for 2017! During the upcoming autumn-retreat Rinpoche will continue with the teachings on the Ati Zabdön (Kyerim, Dzogrim etc...).

Arrival will be on 8 October. From 4:00 pm you may move into your rooms. The seminar itself will start with supper at 6:30 pm, followed by an information evening. Rinpoche will start the teachings the 9 October in the morning. The retreat will end on 12 October with lunch.

Course location:

As the seminar house 'Hof Oberlethe' is already occupied for this period, this time the autumn-retreat will take place in '**Gut Ankelohe**', a nice seminar house, situated between Bremerhaven and Hamburg.

Gut Ankelohe

Am Brink 1

27624 Geestland (Bad Bederkesa)

However, as during the time of the course also another but small group will use the place, we have to expect some restrictions.

Thus, for the retreat on the estate itself a few houses will be at our disposal, one of the guesthouses however, the so-called 'Red House', is situated 500 meters far from the main complex (bike rental for 5,- € per day). Further, unfortunately there are only very few single rooms available.

But we are very happy and thankful, that within the short term, we have found a seminar house for our purpose after all and ask for your understanding.

Room reservations:

From now on you may book a room. As 'Gut Ankelohe' unfortunately does not take any direct reservation, it has to be done with us. Please call or contact us via email:
